Abstract, Paper and Poster Guidelines
IFSCC Congress 2018 Munich, Germany

1. Abstract Guidelines
Abstracts must be submitted in English with a maximum of 500 words. Tables and graphs cannot be included in the abstract. The abstract should describe an original scientific work and must not have been previously submitted to any other conference. The abstract can be modified until the deadline of February 28, 2018.

2. Paper and Poster Guidelines
Authors whose abstract is accepted will have to send a manuscript of the paper. The manuscript should not exceed 5000 words and can include illustrations, charts and tables. Each author whose paper is accepted for presentation (oral or poster) must certify in writing that the paper is original.
- All posters must be written entirely in English
- Authors are responsible for setting up and removing their posters
- Materials to pin the posters will be provided
- Maximum size 119 cm high and 84 cm wide
- Handwritten posters are not accepted
- A poster printed on 1 large sheet is welcome
- Text must be easily readable at a 1.5 m distance

3. Registration
The presenting authors who have an abstract accepted will have to register with the congress to confirm their presentation. If the authors fail to register the abstract, poster and the presentation will be deleted from the final programme.
